Oracle HCM Cloud (Fusion) Senior Solution Specialist

[Share this job](#)

If you're interested in working on mission-critical solutions, then joining Deloitte Consulting as an Oracle HCM Cloud (Fusion) Senior Solution Specialist could be your most rewarding move. The role provides you the opportunity to sharpen your functional, analytical and business skills while working as a part of a team committed to delivering excellent service for clients around the globe. You will learn new skills that are in demand by our clients, gain expertise in Deloitte's methodologies and contribute to increasingly complex duties.

As an Oracle HCM Cloud (Fusion) functional senior solution engineer, you will use your knowledge and experience with this premier SaaS tool to help your clients solve the most pressing issues facing their HR function today by:

Working closely with a large team to deliver results for your client
Lead and manage teams or workstreams to contribute to the overall project success
Maintaining a hands-on role to ensure deadlines are met and key deliverables are always accurate
Enjoying the opportunity to forge strong relationships with both the client and project team that will contribute to your growth and development

To qualify for our Oracle HCM Cloud (Fusion) Senior Solution Specialist role, you should possess the following:

Knowledge of the HR function and processes
4 - 6 years' experience in all phases of a full implementation lifecycle (requirements gathering, design, build, go-live, testing) in Oracle HCM Cloud, Oracle EBS HCM, or other Cloud based HRIS
Experience leading teams and driving their work to ensure project timelines are met
Experience managing workstreams, including monitoring for project issues and sound judgement for escalation
Ability to travel up to 25 percent
U.S. Citizenship preferred, but not required
Associate or Bachelor's degree, preferably in Business/Human Resources, Management Information Systems, Computer Science, or related HR / IT discipline

In addition, successful Oracle HCM Cloud (Fusion) Solution Specialist will also have the following preferred skills:

Strong oral and written communication skills, including presentation skills (MS Visio, MS PowerPoint)
Excellent teamwork and interpersonal skills
Ability to handle multiple clients and multiple team members with confidence

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability or protected veteran status, or any other legally protected basis, in accordance with applicable law.
